

Ira Independent School District Seeks Nominations

Ira Independent School District is seeking students in our district who do things faster, sooner, and with better understanding than other students their age. Nominations for the Gifted and Talented Program are being accepted through December 18, 2009. Forms must be completed on each student nominated and may be obtained from the school office.

The Gifted/Talented Program selects approximately the top 5% of the students who require more challenging learning experiences and can tackle more difficult tasks.
